

**SCIENCE AND TECHNOLOGY ORGANIZATION
CENTRE FOR MARITIME RESEARCH AND EXPERIMENTATION**

VISITOR STATEMENT ON SECURITY POLICY

- Whenever in the Centre, all persons must wear the Centre’s identification badge so that both the pictogram and information on the badge are clearly visible.
- Unless located in the Unclassified Area, persons with an Escorted badges (red E) must remain, at all times, in visual contact with their designated escort
- Mobile phones, cameras or recording devices are not permitted in the Centre and must be left in the deposit boxes at the entrance of the Centre. USB connecting devices and storage media to be used on CMRE Communication Information Systems during presentations, etc, must be handed in to be inspected.
- Use of modem/wireless capabilities is strictly prohibited both in the Centre and on board ships unless authorized by the Security Officer. Any mobile internet connectivity (eg 3G/4G mobile communication technology, USB dongles or Tablet pc modems) must be disabled.
- It is strictly forbidden to connect any Communication or Information device brought into the establishment or on ships to the outside world and/or to any CMRE Communication or Information Systems without a prior authorization of the Security Officer.
- The undersigned is not authorized to release NATO information to any third parties or to remove data from the Centre without prior authorization or non-disclosure agreement duly signed.
- The undersigned abides to comply with International copyright laws.

Violations of these regulations will be considered as a deliberate act aimed at undermining NATO Security. Incidents will be treated in an appropriated manner in coordination with appropriate National Security Authorities
